Your Royal Highness

We are young French boys and girls from a year 8 class. We send you all our congratulations on the birth of your first child "George". He is a very beautiful baby, he is very sweet. He looks like his mum. He doesn't look like his dad because he has got hair! He has some famous parents. Also, we congratulate you on the christening that is coming very soon.

Yours sincerely

Amandine
LEGLAND
