Your Royal Highnesses

My name is Evan, I'm 12 years old, I am in year 8A and I am French !

My class and I send you our congratulations on the birth and baptism of George Alexander Louis.

In France we spent the afternoon in front of the television because we wanted to see you coming out of the hospital.

In our opinion George looks like his mum! George is handsome, small but he is very cute.

Queen Elizabeth has a beautiful successor.

Yours sincerely

Evan GUILLON
