Tuesday 15th October

Your Royal Highnesses,

We are French pupils. In our school, in Brittany, we are in year 8A. We send you our sincere congratulations for the birth of Baby George. Welcome to our world little prince ! George is a cute and beautiful baby. He has a round face and a tiny nose. He looks like the Duchess of Cambridge but he also looks like the Duke of Cambridge a little. The 23rd October, George will be baptised. We congratulate you on George's christening. It's very good news for George and you !

Yours sincerely,
Year 8A class
