

Your Royal Highnesses,

We are French students for collège Ste Thérèse, in Muzillac, in south Brittany.

We were very happy when the medias informed us about your baby' s birth because we were very exited to know if it wa a boy or a girl.

We hope you will be a happy family and George will have several brothers and sisters.

At the moment, George looks like Kate.

We hope George' s christening is a success.

PS : If you want a daughter, my grand-mother recommends to eat sugar during your pregnancy.

Yours sincerely

Léo-Paul Rouillé
