Your Royal Highnesses

We are 7th graders and we live in France, in Brittany. We are very happy for the newest member of your family. George is very cute and beautiful. Charlotte is nice but she is very small. He is probably very happy to have a sister to play with. We think you are a very nice couple and well you represent the royal crown. We wish good luck to the English team for the next World Rugby Cup. Congratulations on your two children.

Yours sincerely

Lois
