Your Royal Highnesses,

Congratulations to you on the arrival of the new people's princess, Charlotte. She is radiant.

We are in Brittany, we are 11 years old in year 7 in a school of Murzillac in France. Are you always tired, because you must have a lot of work with a second baby? Does she sleep well in Kensington Palace, her new home? Are the Prince of Wales and the Duchess of Cornwall happy to be grandmother and grandfather again? Her Majesty Queen Elizabeth must be happy like us today, because Charlotte is her fourth great granddaughter! Is George to have a little sister? Is he nice with her and does he play with her? Are there famous people coming to see her? We wish you much joy and happiness.

yours sincerely
