Your Royal Highnesses

First of all congratulations on the birth of Princess Charlotte. We are in class 7D in France and we are 12 years old. We are very happy about the birth of the new people's Princess. Charlotte is very gorgeous. We were very happy to know that the new people's Princess was born and she was fine and you as well, your Royal Highness. This week we have done a lot of work on the Royal Family, that's why we know that you have many fans, including a man who was wearing a flag of England and that was in front of the hospital.

We would like some questions to ask you!!

- Does George play with Charlotte?
- Have you been to France with or without George and Charlotte?
- Is Charlotte doing well?
- Are you all doing well?
- Can you often be all together with your family?

Yours sincerely
