Your royal Highnesses,

We are French, and we are in class 7C and D, and we are 12 years old.

Congratulations on the new arrival! Charlotte is lovely, and her name is beautiful. Duchess Kate, you are radiant. Prince William, you are amazing. We are very happy about Charlotte's birth! We wish you all the happiness of the world, to you, to George, and to the newest member of your family, Charlotte. George will make a very good big brother, and he is charming. Prince William and Duchess Kate, you are both very special people! And your family is fantastic!

Yours sincerely,

Samuel
