Hello Dilara,

I'm 12 years old and my birthday is on 24th February? On Saturday 28th March, I went to Provence with my school. It was nice and warm. I visited several monuments in the Gard. We visited Camargue and Arles.

I also love football but I prefer basketball and dance.

My best friends are Lauriane and Logan.

Every morning, I go to school. I get up at 6.20am and almost every Wednesday and Saturday, I play basketball.

Can you send me a picture of you, please?

Dear Tabitha,

Hi ! Thank you for your letter. I'm fine, thank you. And you?

I don't know the word "sew". Can you explain?

Yes, I have a dream ! Later, I would like to be a vet. I also have another dream but it is a secret... You would like to be a fashion designer, it's very cool! I hope you will succeed! I'm happy for you that you are going to become a big sister, congratulations! Maximiliano is an original name!

My mother and father are bakers. My step brother, Antoine, is an engineer and Bertrand is a baker with my father. My uncle and my aunt (my mother's sister) are also IT specialists, like your father.

Yes, I have a pet, it's a cat and his name is Lilou. It is 3 years old.

Now I'm going to speak about my routine:

Every morning, I get up at 6.30 am (7 am on Wednesdays!). I get dressed. I go to the bathroom, I brush my teeth and my hair. Then, I wash my face and spread some cream over my face. Then, I take the bus (for 30 minutes). Finally, I arrive at school at 8.15am. After school, I take the bus to go home and I arrive home at 5.35pm. At home, I eat my snack, I do my homework and I watch TV. Later I have a shower and I eat dinner with my family. After dinner, I go to my bedroom and I surf the internet, text friends, listen to music, read.. Finally, I go to sleep. On Wednesdays, in the morning, I go to school and in the afternoon, I do horseriding (from 3pm to 4pm). On Saturdays, I do Zumba from 1pm to 1.45pm. In the afternoon, I ride my bike.

From your favourite penpal,

Vanessa
